

In English, we'll be :

- delivering the Literacy and Language scheme

This will include non-chronological reports. We will identify key features of this text type and, with support, write their own non-chronological report about space.

In Maths, we'll be finding out:

- that the = (equals) sign can balance an equation
- word problems
- how to read the analogue and digital clocks and know time facts
- describing 2d and 3d shapes using their properties

In Science, we'll be finding out:

- about plants
- about the different parts of a plant
- what plants need to live and survive
- how water moves through a plant
- pollination
- fair tests and experiments

In Art and Technology, we'll be finding out:

- how to create a piece of Roman jewellery
- design and making a mosaic
- tasting Roman food

Year 3  
Spring Term 2 Plan

In Physical Education (PE), we'll be :

- creating a dance routine linked to machines
- learning how to move through the space combining different actions

In PSHE, we'll be finding out:

- To understand where is food is harvested.

In RE we'll be finding out about:

- how we should live and who could inspire us.

In Music, we'll be:

- learning how to play the recorder
- singing and learning to play Mamma Mia

In History and Geography, we'll be finding out:

- about the Roman Empire
- where the Romans conquered
- what life was like as a Roman citizen
- their food and entertainment
- using maps and atlases to track their routes around the world

In Computing, we'll be finding out:

- how to communicate with people using technology
- how to improve our key skills such as typing using both hands correctly.
