

Maths (weekly maths page set in homework book)	Reading (books in book bags and to be recorded in reading record)	Spellings (practise daily)	Times tables (practise daily)
<p>Write a diary entry, imagining you are Florence. What would she have seen/heard and done when she was working in the hospital.</p>	<p>Research how medical uniforms have changed over time. You could print or draw pictures. Describe the uniforms you choose.</p> 	<p>Imagine you are interviewing Florence Nightingale. What questions would you ask her? Remember to use the correct punctuation.</p>	
<p>Design a British Red cross like the one Florence received. You could draw, collage, paint or make a 3D model.</p> 	<p>Write your own acrostic poem using the word nurse.</p> <p>N U R S E</p>	<p>Write a fact file about Florence Nightingale or Mary Seacole. You could present this as an information booklet or a timeline.</p>  	

### Expectations

- Complete one piece of homework from the grid each week.
- Mathematics will be set as an additional weekly homework.
- Pupils should practise spellings, times tables and reading each day (with reading being recorded in reading records)
