

March 2018

Dear Parents / Carers

As you may be aware, Monday 19<sup>th</sup> March 2018 marks the beginning of British Science week. During this week, all children at River Bank Primary School will be taking part in five different science activities all with the theme of 'Change'. These activities will take place in the afternoons.

On Friday 23<sup>rd</sup> March we are also celebrating Sport Relief, so the fifth activity for everyone will combine science and sport. Therefore, we are asking all children to come to school, on Friday 23<sup>rd</sup> March, in sportswear (this could include school PE kit). As Sport Relief is a charity, we also ask for a voluntary contribution of £1 per child.

Kind regards

Miss Totty  
Subject Leader for Science
