

17<sup>th</sup> April 2018

Dear parent/carer

**Class assemblies.**

During this term we would like to invite parents to their child's class assembly. On the reverse of this letter is a timetable detailing when your child's class assembly will be taking place.

During these assemblies the children will share the wonderful things they have been learning about. These assemblies will start promptly at 9:00am in our school hall and will last for approximately twenty minutes. Entry to our school hall is via our community entrance once you have dropped your child at their classroom door. Please note we will be unable to admit any late parents/carers after 9:00am. Your cooperation with this is appreciated.

We hope you are able to attend your child's class assembly and look forward to seeing you there.

Yours sincerely

David Sansom  
Headteacher
