Composer for the half term		Scott Joplin											
 <p>Scott Joplin (1867-1917)</p>		<p>He was the greatest composer of 'ragtime'.</p> <p>In fact he is often called the 'King of Ragtime'. (Ragtime is a mixture of Black American folk music and classical music. It is not quite jazz, but is certainly where a lot of the ideas for jazz came from.)</p> <p>He made ragtime very popular.</p> <p>Like classical music, Scott Joplin's rags are written down exactly.</p> <p>He became famous with his piece 'Maple Leaf Rag'.</p> <p>This piece appeared in 1899. It sold over 75,000 copies in the first six months!</p> <p>His father had been a slave.</p> <p>He was very lucky to learn music. Most Black American children around the time Scott Joplin was born would not have had this chance.</p>
