Important Facts

**Good Friday** is the Friday before Easter Sunday. It commemorates the execution of Jesus by crucifixion. Good Friday is a day of mourning in church. During Good Friday services Christians remember Jesus' suffering and death on the cross and what this means for their faith.

**Salvation** is a term used in Christianity. Christians believe Jesus came to 'save' or 'rescue' people by showing them how to live. Christians believe some people are separated from God because they all sin. Some people prefer to go their own way rather than God's. Most Christians say that Jesus came to show people how to live a life of love and obedience, saving or rescuing them by helping them to live God's way. Some Christians say Jesus did more and that he died to pay the penalty for all people's sin.

**Holy week** is the week leading up to Jesus' death. It followed in this order:

- 1) The entry into Jerusalem (Palm Sunday). Jesus was treated as a king by his believers.
- 2) Jesus asks his followers to remember him with bread and wine (Last Supper). The bread symbolising his body and wine symbolised his blood.
- 3) Judas (Disciple) betrayed Jesus and had him arrested at the Mount of Olives.
- 4) Jesus trialled and died on the cross. (Good Friday)
- 5) Mary Magdalene discovers an empty tomb.
- 6) Jesus is raised to life. Jesus' appeared to the apostles.

Christians celebrate Easter in Churches in different ways. Church services are held on Good Friday to remember the way Jesus struggled to carry the cross and died. They have a celebration on Easter Sunday to celebrate Jesus' resurrection. In Via Dolorosa (Jerusalem) today, some Christians follow the path Jesus took.
