The screenshot shows the top section of a Google Classroom page. At the top left, the class name "Fox" is displayed in a large white font on an orange background. Below it, the "Class code" is "a736jhs" and the "Meet link" is "https://meet.google.com/lookup/fej26jy6a2". To the right, there is a decorative banner with a coffee cup, a plate of citrus, and a yellow lid. Below the banner, there are two buttons: "Select theme" and "Upload photo".

Below the banner, there is a white box on the left with the heading "Upcoming" and the text "No work due soon" and a "View all" link. To the right of this box is a white bar with a share icon, the text "Share something with your class...", and a refresh icon. Below this bar is a white box with the heading "Communicate with your class here" and two options: "Create and schedule announcements" and "Respond to student posts".

There is a Meet link at the top of the page, you will need to click this at the lesson times, This will be sent across soon.

Once you enter a class, you will see three tabs at the bottom of the page.

11. The **Stream tab** is an announcement page with a full overview of homework, assignments, and any other posts the teacher adds.

12. The **Classwork tab** stores all your child's assignments. Here, they will see each assignment that has been added by their teacher. When they click on a task, they will get the due date, details and status of the assignment. Students also can turn in their work here once it's completed. They can add files or create slideshows and images to be submitted.

13. The **People tab** shows all the teachers and students in the classroom.
