

# SING!

Young Voices 2017

It doesn't matter if your days are long, SING!  
It doesn't matter if your night's gone wrong, SING!  
Just clap your hands and stomp your feet WOAHH!  
It doesn't matter if he let you go, SING!  
It doesn't matter if she hurt you so, SING!  
Get up and dance, just feel the beat WOAHH!

I don't know what you've been told  
But music makes you lose control.

Sing, sing, sing, sing it out as hard as you can,

Make 'em hear you from L.A. to Japan,

This is how we do it now,

Go and blow them windows down.

Sing, sing, sing, sing it with your hands in the sky,

Light it up like it's the fourth of July

Down, down, down, down, down, down

**SING! SING!**

It doesn't matter if you're way off track, SING!  
Feel like you're heading for a heart attack? SING!  
Just raise your voice, and bring the noise. WOAH!  
Sing for your Mama, sing for your daughter,  
Sing for your sister's mister's best friend's brother,  
I don't know what you've been told  
But music makes you lose control.

Sing, sing, sing, sing it out as hard as you can,  
Make 'em hear you from L.A. to Japan,  
This is how we do it now,  
Go and blow them windows down.

Sing, sing, sing, sing it with your hands in the sky,  
Light it up like it's the fourth of July  
Down, down, down, down, down, down.
