

★ Maths	★ Reading (reading book and library book)	★ Spellings
<p><b>English</b> – We have been reading Harry Potter so far this year. Research the author J.K Rowling and write a fact file about her. Include information such as: name, date of birth, where she was born, where she lives, information about her family, where she went to school, famous books she has written and any interesting facts that you can find.</p>	<p><b>English</b> – Choose a book that you have read since the start of September and write a book review. This must include:</p> <ul style="list-style-type: none"> <li>• The title of the book</li> <li>• A brief explanation of the storyline (no spoilers)</li> <li>• Key characters</li> <li>• A conclusion in which you will write whether you will recommend this book.</li> </ul>	<p><b>RE</b> – Think about your local community. What is good about the community? What problems are faced in the community? What would you do to improve the community? How would you do this?</p> <p>Each of the questions should be a subheading followed by a paragraph which answers them.</p>
<p><b>PE</b> – Researching a new sport. Choose a sport that we do not cover in school. Some examples may include: American Football, ultimate frisbee, handball, disc golf, kabaddi You will need to include:</p> <ul style="list-style-type: none"> <li>• The name of the sport</li> <li>• The country in which it originated</li> <li>• The rules</li> <li>• A well-known athlete from the sport</li> </ul>	<p><b>PE</b> – Create a lesson plan for a football PE lesson. This must include:</p> <ul style="list-style-type: none"> <li>• A warm up</li> <li>• Skill activities</li> <li>• A game situation</li> <li>• A list of equipment</li> </ul> <p>Include the teaching points for the key skills e.g. passing or shooting.</p>	<p><b>Science</b> – Explain the forces that combine in order for an aeroplane to take off. What would happen if there was more of one force than another? Draw a diagram to support this.</p>
<p><b>PSHE</b> – Create an anti-bullying poster to be displayed in the year 5 and 6 corridor. Include:</p> <ul style="list-style-type: none"> <li>• Why we should not bully others</li> <li>• The effects of bullying</li> <li>• What to do if you are being bullied</li> </ul>	<p><b>Science</b> – Who discovered the concept of gravity? What facts can you find about this person? When did they discover gravity? How did they discover gravity? Why is understanding the force of gravity important to our everyday lives?</p>	<p><b>History</b> – Find images of Luton in the past. You will compare what the area looked like in the past and what it looks like now. You will need to write: the area/building you have chosen, similarities between the past and present, differences between the past and present and your opinion of whether the changes have been positive.</p>

## Expectations

1. **Homework Grid** – Please complete one homework per week, this will be checked on Friday.
2. **Maths** – Homework will be given out on Tuesday to be returned the following Tuesday.
3. **English** – Homework will be given out on Wednesday to be returned the following Wednesday.
4. **Spellings** – Will be given out on Friday to be returned the following Friday.
5. **Reading** – Children should be reading for 20 minutes each evening and sign their reading record. This will be checked daily.
6. **Times Tables** – Times Tables Rock Stars activities.

**All homework must be completed to a high standard and handed in on the due day. If you are struggling with any homework, please ask your teacher before the due date – we are here to help.**
