**Character Profile**

Pick your favourite character from James and the giant peach. Write a short description including their name, what they look like, personality and why you like them.

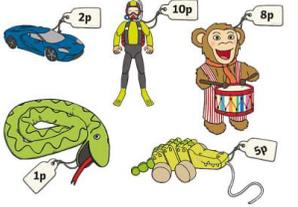

**Invent a new insect friend**

Based on the characters in James and the giant peach, draw and describe a new insect that could join James on his adventure. Think about what it looks like.

**Maths**

Create a table with the price of different items and add up their totals using the column method.

**God and Faith**

Write a paragraph explaining what you think **Faith** is. Draw pictures that show someone showing faith (praying, helping each other)

**Still-life**

Draw a still life portrait of an object in your house.

**Science and technology**

Draw or write about one way technology is used in places of worship (microphones, screens). Why do you think it helps?
