Create a persuasive leaflet to encourage people to visit one of the countries where Ancient Maya ruins can be found. Either Guatemala, Belize, Honduras, or El Salvador Don't forget to research the country first.	This term we are cooking. We will be looking at Mexican recipes. Create a menu for a Mexican-inspired meal that you can enjoy with people in your household. If you have a go at making it, add photographs!	Create a guide to different dinosaurs. You should include their names, height, weight, appearance (winged, long tail etc.) diet and footprints.	Create your own Maya artefact out of recycled materials. You could make: <ul style="list-style-type: none"> A mask Jewellery Ceramics (bowl or jug) Sculpture 	Create a colourful poster showing how all three Abrahamic religions care about fairness and helping others. Include: <ul style="list-style-type: none"> The names of all three religions One way each religion helps people in society Pictures or symbols (e.g. a heart, people helping, charity box)
Write a poem about a journey through the Americas. Try to include place names and landmarks.	Create a collage in the style of Beatriz Milhazes. 	We inherit our physical features. Create a family tree and explain which physical features you have inherited from which ancestor.	Create your dream island. <ul style="list-style-type: none"> Draw a map of it Annotate human and physical features of your island Include transport links to the main land 	At the end of the academic year you will be transitioning to high school. Create a guide on 'Year 6' that you can give to year 5 that explains to them what to expect next year.
Write a letter to Dr Alan Grant (Jurassic Park) to inform him of a new dinosaur discovery you have made and your suggestions on what you think he should do next.	Create a piece of art that depicts gods and goddesses that the Maya worshipped.	Write a biography of Charles Darwin and his theory of evolution and survival of the fittest.	The Maya were a very advanced civilisation. Write a fact file about their number, writing, and calendar systems.	Create your own orienteering map using the skills you have developed this term. Make your different points link to our topic of the Ancient Maya.

Expectations

- Complete at least one piece of work from each column weekly over the term. **Hand in on Tuesdays.**
Homework should be completed to the best of your ability, thinking specifically about individuality, content and presentation.
