

## Information for Parents regarding Read, Write Inc.

At River Bank Primary School we use both Read, Write Inc. Phonics, Read, Write Inc. Language and Literacy and Spelling. In addition to these programmes, we aim to teach a curriculum which is language rich and provides our pupils to develop writing across the curriculum.

Read Write Inc. Phonics, Literacy & Language and Spelling are highly successful literacy programmes for 4-13 year-olds created by Ruth Miskin and published by Oxford University Press. The training and support from Ruth Miskin Training, rated Outstanding by the Department for Education, ensure the programmes have the best chance of success in schools.

These Read Write Inc. programmes are carefully matched to the new curriculum, giving your children the best chance of success in the national tests. They show teachers, teaching assistants and parents step-by-step how to teach all children to become fluent readers, confident speakers and willing writers.

Our school uses:

- Read Write Inc. Phonics for our children in Nursery to Year 2 and for our children in Years 3 and 4 who need to catch up
- Read Write Inc. Literacy and Language for our fluent readers in Years 2 to 6
- Read Write Inc. Spelling for our children in Years 2 to 6

**Read Write Inc. Phonics** is used by over a quarter of the UK's primary schools. It is a comprehensive literacy programme, weaving decoding, comprehension, writing and spelling together seamlessly. Fidelity to the teaching programme, rigorous assessment, tracking and one-to-one tutoring ensure that schools guarantee progress for every child.
