Key People and Places

The Gallic Rooster is the **national animal of France**. This animal was unveiled as **the national animal of France** in the 9th century. One of the national emblems of France, the Coq Gaulois (the Gallic Rooster) decorated French flags during the Revolution. It is the symbol of the French people because of the play on words of the Latin gallus meaning Gaul and gallus meaning coq, or rooster. In France, there's lots of paintings of roosters on churches, thus has been associated with Christianity. It is believed that just as Jesus, the rooster announces the coming of light after darkness, chasing away the devils of the night while inviting good things associated with light.
