Google Search

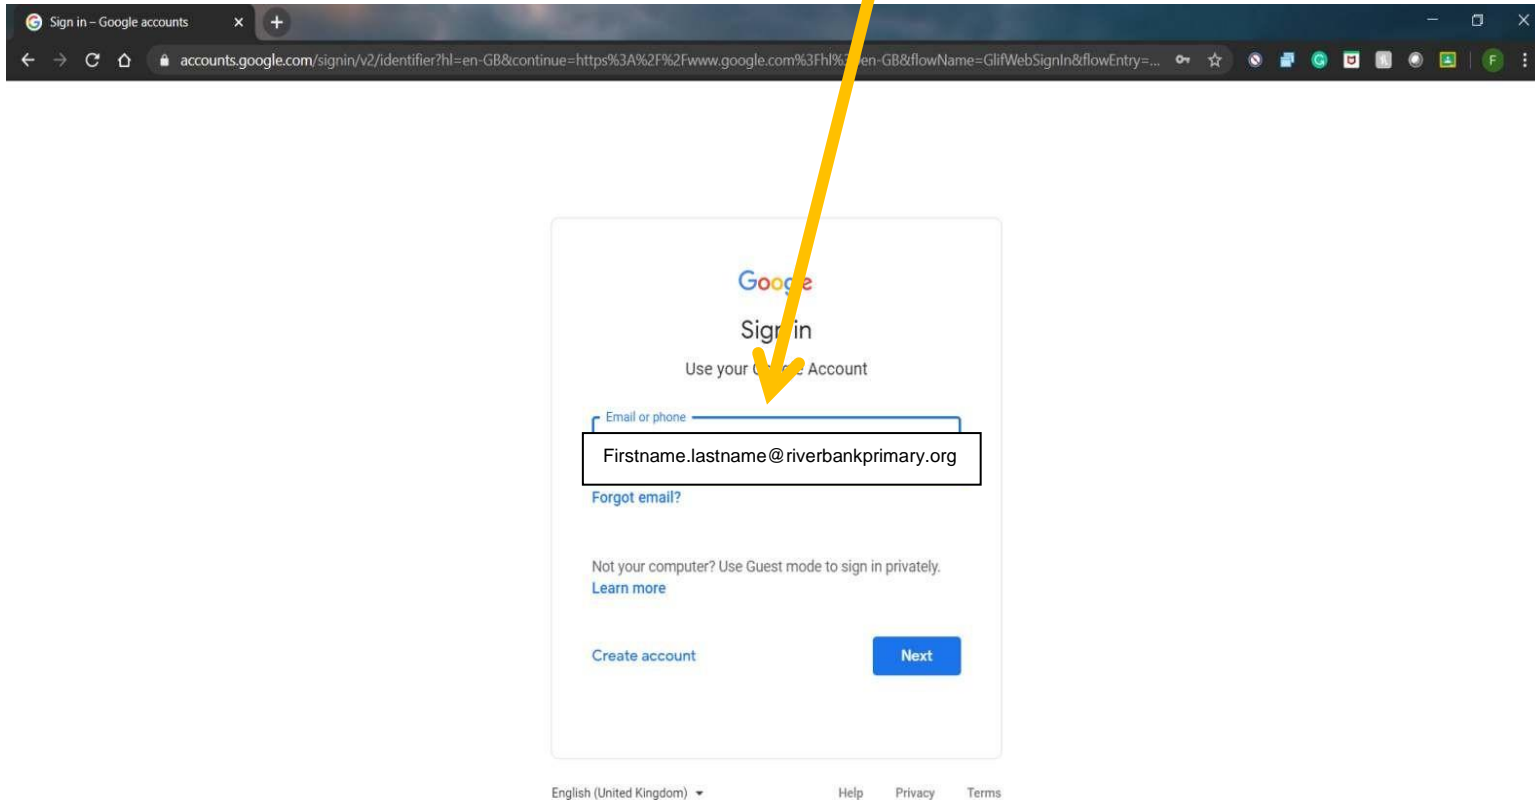

I'm Feeling Lucky

Explore over 500 of the world's most renowned museums and collections of art from home

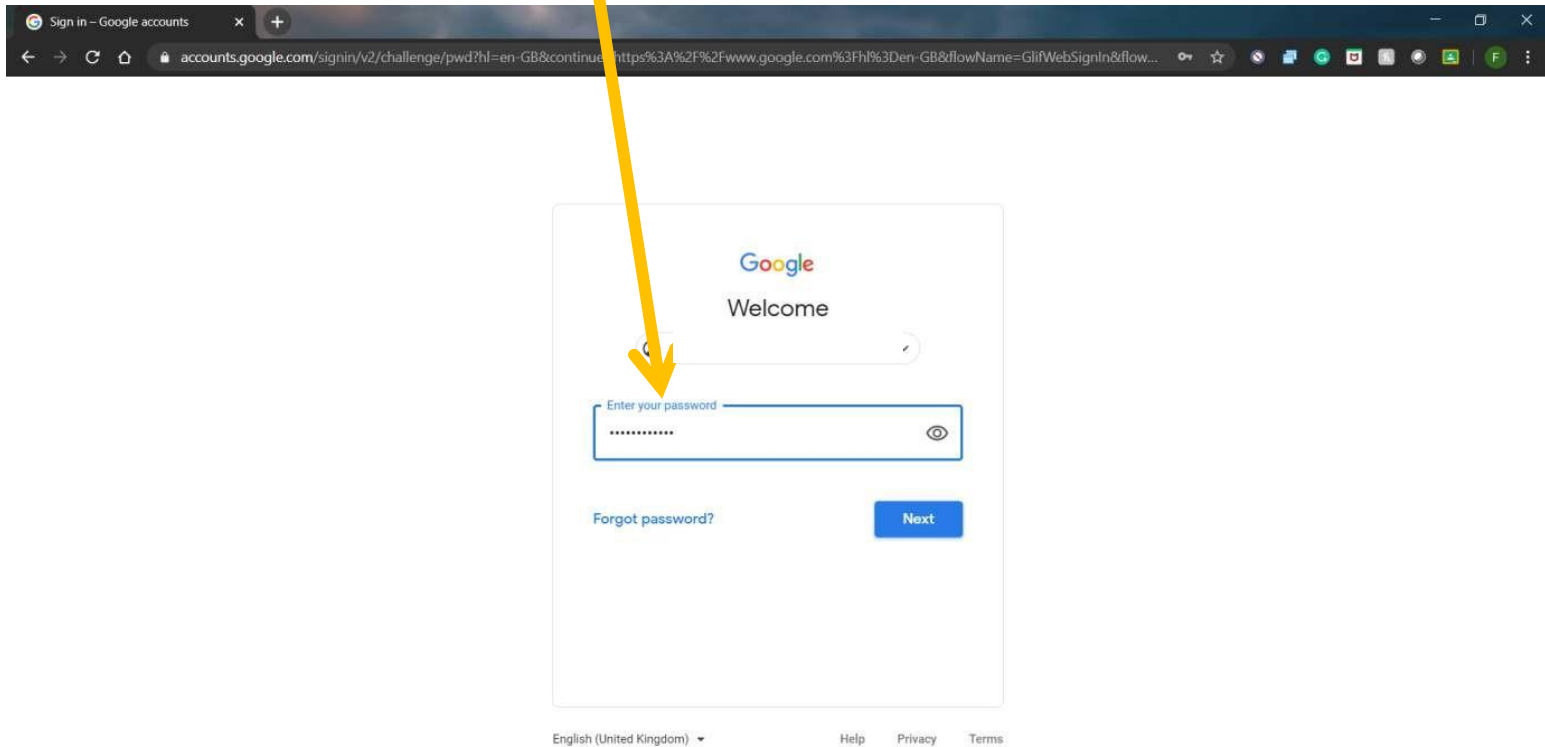

United Kingdom

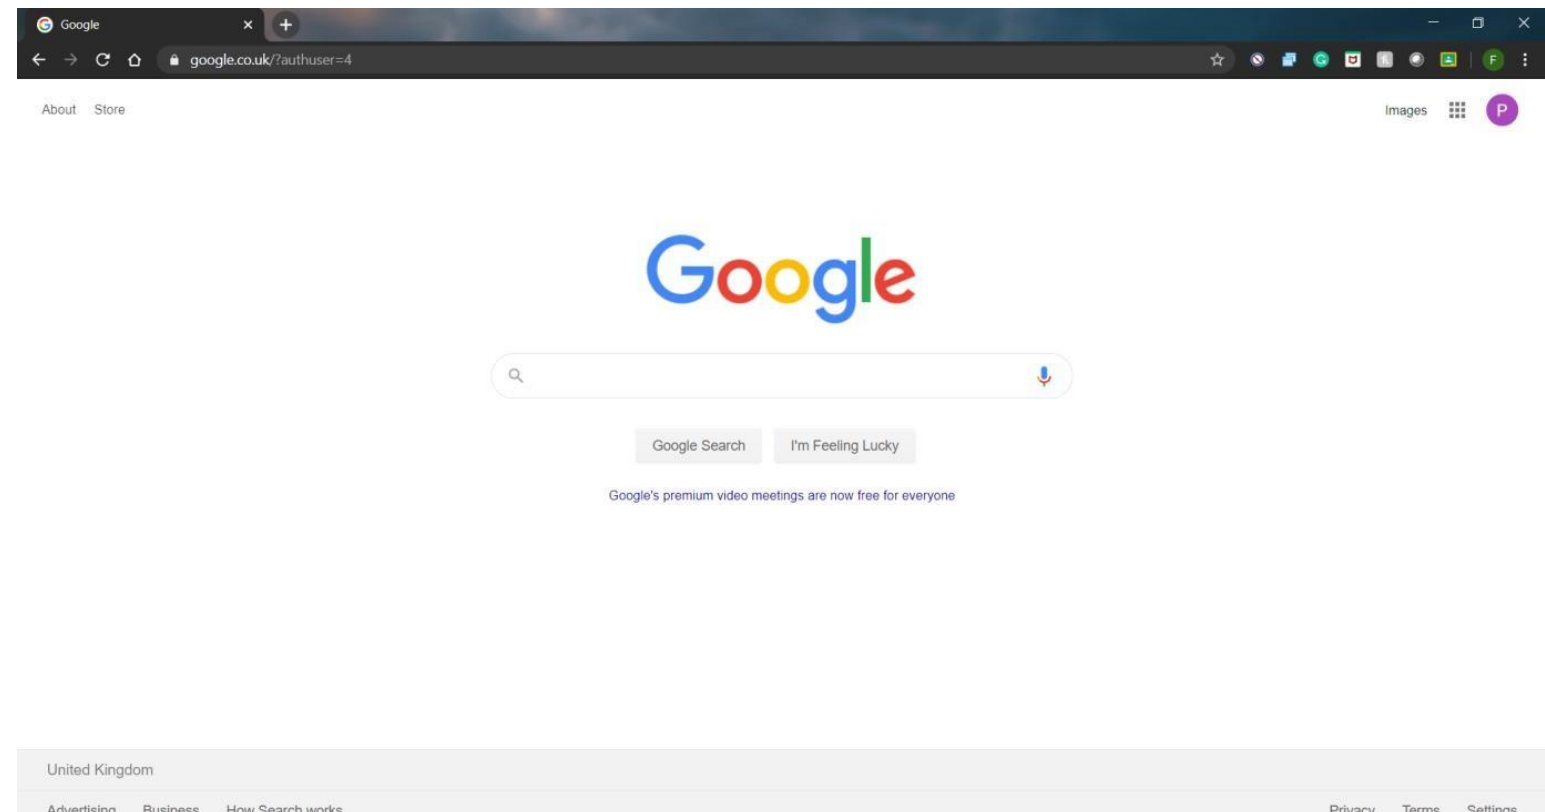

3. Then on the right-hand side of the screen, you should see the sign-in button, click on this.
4. You should then enter the unique email address that was assigned to your child and click next. Ensure that is spelt correctly.

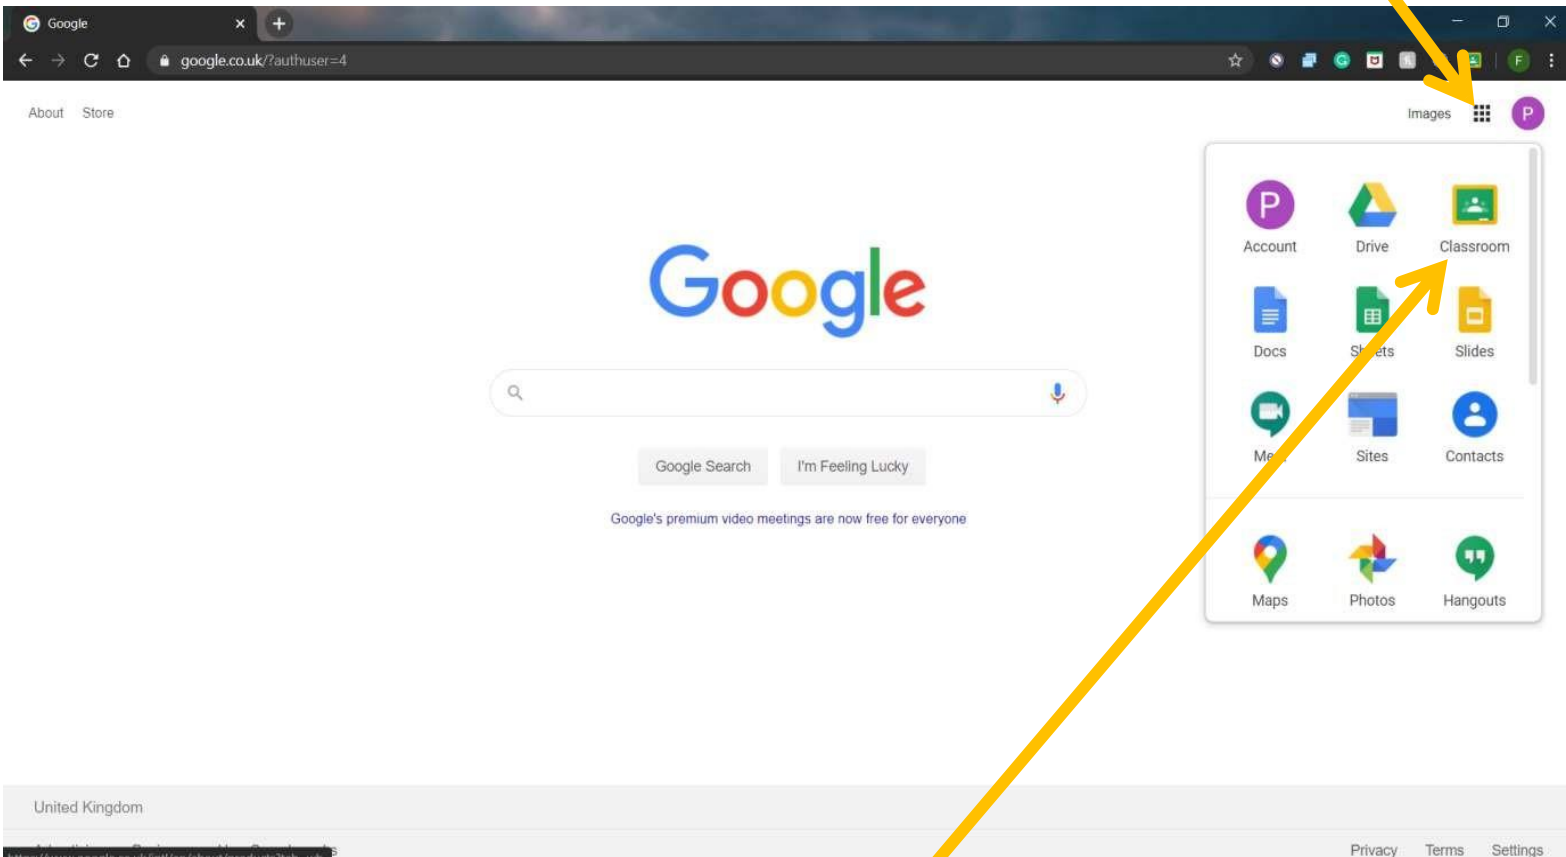

5. Then enter the password that you use for the laptops at School

6. You should then be taken back to the Google homepage as shown below.

7. In the top right hand corner click onto the nine small squares icon (waffle) and you will see a list of the Google Apps you have access to.

8. Click on the Classroom icon

9. You will be shown this message below, press continue.

?

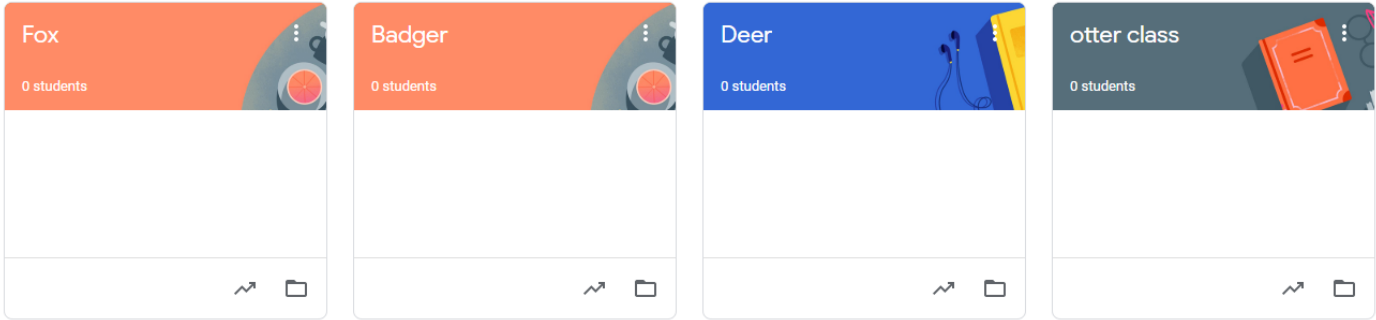

10. You will be asked to choose your role, please click on the “I’m a student” box.

11. You will then have your class name inside a box. Click accept to the invite.

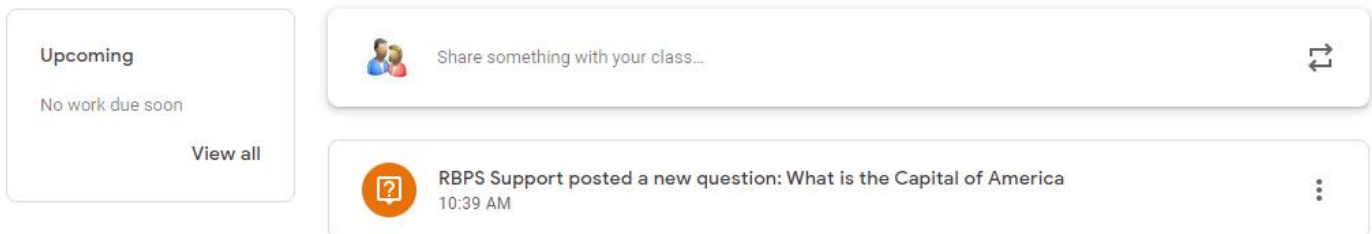

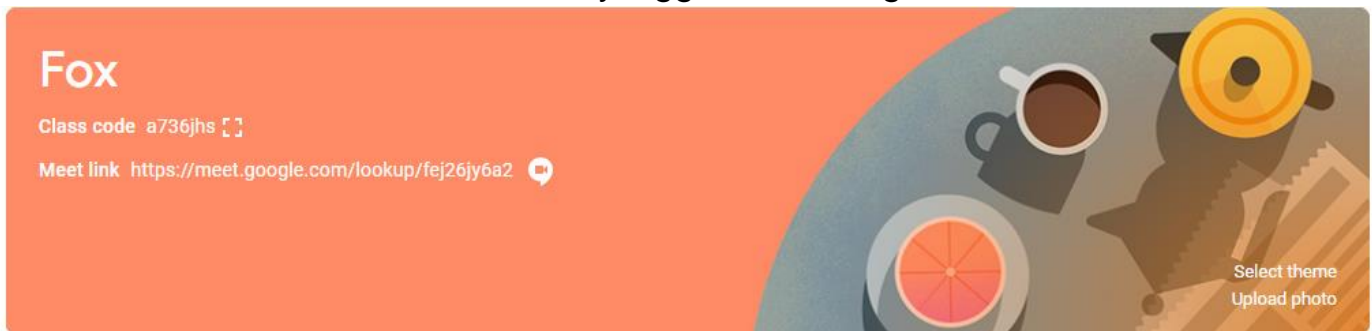

12. You should then see the class come up. Click on the class name.

12. Once you enter a class, you will see three tabs at the top of the page.

- The **Stream tab** is an announcement page with a full overview of homework, assignments, and any other posts the teacher adds.
- The **Classwork tab** stores all your child's assignments. Here, they will see each assignment that has been added by their teacher. When they click on a task, they will get the due date, details and status of the assignment. Students also can turn in their work here once it's completed. They can add files or create slideshows and images to be submitted.
- The **People tab** shows all the teachers and students in the classroom.

13. You have successfully logged into Google classroom.
