

# THINK BEFORE YOU PARK!

X

Yellow lines are in place to keep roads **clear to protect our children**. Stopping or parking on them means its harder for them to see when they cross the road.

Respect school neighbours and don't block driveways. Residents need access to their property.

Don't block the pavements or crossing points this forces people to walk in the road.

X

**PARK SAFELY AWAY FROM THE SCHOOL**  
**WALK, CYCLE OR SCOOT TO SCHOOL WHERE YOU CAN**
