

3rd October 2022

Dear parent/carer

It has been an extremely difficult year for many families due to rising costs (fuel, energy and food). More and more people are relying on foodbanks and other charities and Luton Foodbank need your help to make sure no-one in Luton goes hungry.

For the past two years, we have won a trophy as a result of supporting this charity so well. We would like to help Luton Foodbank again this year by asking our families to donate items of food. Please see below for suggested items.

- **Year Reception(EYFS)** - juice/squash, tinned vegetables
- **Year 1** - tinned fruit, pasta sauce (jar)
- **Year 2** - long-life milk, baked beans
- **Year 3** - tinned soup, biscuits
- **Year 4** - teabags, rice, cereals
- **Year 5** - tinned tomatoes, tinned meat/fish
- **Year 6** - rice pudding, custard, tin spaghetti/instant noodles

Any of the above items would be a welcome donation. Please send donations in with your child by Wednesday 19th October and look out for our display, which will be in our community area.

Thank you for your continued support.

Yours sincerely

Jane Vale
Assistant Headteacher
