

5th October 2022

Dear parents/carers,

Year 3 – Stone Age Workshop

We have arranged for the company Portals to the Past to visit the school and conduct a workshop for children on **Wednesday 19th October 2022**. The focus will be exploring our current topic “The Stone Age to Iron Age” in more detail and involving a more practical and hands-on approach. The session will consist of group investigations where children will explore artefacts as well as take part in games, activities and discussions about the different periods of time. We encourage the children to come to school dressed like someone from the Stone Age period.

We are asking for a voluntary contribution of £4.50 per child towards the cost of the workshop. Without your support, we may not be able to offer such a valuable learning experience which provides a varied and fun opportunity for our pupils to learn. In the event that we do not receive enough funds we may need to cancel. You can either pay via Scopay, www.scopay.com or by card (no cash please), at the school office. Pupils who are entitled to pupil premium will not need to contribute. However, consent must be given via www.scopay.com.

Thank you for your support.

Yours sincerely

Miss L Gray
