

Dear parent / guardian

The last year, we gave the children in years 5 and 6 the opportunity to catch-up and reinforce key learning from the curriculum during an extended day session. These proved very popular and have really helped the children who have attended.

This year we will be again be offering the children in years 5 and 6 extended day sessions starting on Monday the 19th September.

They will take place every Monday and Wednesday with the last two session of this term finishing on the 5th and 7th of December.

Your child will be taught in a smaller group by one a teacher and will be given a snack and a drink prior to the session starting. During this time, children will be put into smaller groups, where they will spend 45 minutes looking at key learning in mathematics and grammar / reading, which we feel they would benefit from. *These sessions will be free of charge.*

If you sign your child up to these sessions, then we will expect them at the sessions, all term – unless otherwise notified by yourself.

We will be writing to you later next week to inform you as to which teacher your child has and where to collect them from.

Children will be allowed to walk home, from September up unto October half-term. **Following the children's return in October – children will need to be collected at 4.30pm after the extended day.**

If you could complete the confirmation slip below and return it to school, then that would be appreciated. Should you have any questions, please do not hesitate to contact me through the school office.

Yours faithfully,

Miss. A. Clackson
Year Six Leader

I confirm that my child _____ Class _____ can take part in the Extended Learning sessions on a Monday and a Wednesday, after school, **starting on Monday 19th September.**

*I give my permission for my child to walk home up unto half term

*I confirm that I will collect my child at 4.30pm
