

November 2022

Dear parents of Year 3, 4, 5 and 6.

We wanted to take this opportunity to thank you all for your hard work in supporting your children with their times-tables. As an incentive program, we have created an award system across the school, where children will be awarded stickers, certificates and badges for their times tables achievements. There are four levels:

Bronze Award – 2, 5 and 10 times tables

Silver Award – 3, 4 and 8 times tables

Gold Award – All times tables up to 12

Platinum Award – All times tables including decimals

Children have been taking times tables tests in class and will be coming home with their badges, certificates and stickers. We will be testing them every half-term and once they have achieved an award they will be working towards their next award.

In order to achieve their award, children need to get 60/60 correct in minutes. You can support your child at home by regularly practicing their times-tables with them, encouraging them to practice on TTRS (Times Tables Rockstars) and conducting your own fun tests at home.

Thank you for your continuous support.

Yours sincerely

Aysha Sheikh
(Year 5 Teacher)
