

1st May 2024

Dear parents and carers

We have arranged for the company 'Portals to the Past' to visit the school and conduct a workshop for children on **Wednesday 5th June**. The focus will be exploring our current topic "The Ancient Greeks" in more detail and involve a more practical and hands-on approach. The session will consist of group investigations where your children will explore numerous informative displays, artefacts, games and activities, as well as interactive discussions. For this workshop, we believe that it would be a great experience for year 5 to dress up as ancient Greeks for the day. We will send out further information to offer simple, low-cost suggestions for this.

Please could we ask that you make a contribution of £5.00 towards the cost of the workshop. Children who are entitled to pupil premium will not need to contribute. Unfortunately, if not enough contributions are made, we may have to cancel the workshop taking place. Please make your payment online along with your consent via www.scopay.com by Friday 24th May 2024.

Thank you for your support.

Yours sincerely

Mr Boardman

Year 5 Lead
