

10th September 2024

Dear parents and carers,

In year 5 this term, we will be reading *Harry Potter and the Philosopher's Stone* as our class book to complement our magical worlds and creatures topic. We will also be visiting Warner Brother's Studio – The Making of Harry Potter as our year group trip.

Before visiting the Warner Brother's Studios, we would like to allow the children to watch the movie adaptation of the story. This will allow the children to have a stronger understanding of what they will experience when visiting the studios.

The film is rated PG (parental guidance) and therefore we need to inform you of our intention to watch this in school.

Please find a synopsis of the film below.

This film is about Harry Potter, a boy who learns on his eleventh birthday that he is the orphaned son of two powerful wizards and possesses unique magical powers of his own. He is summoned from his life as an unwanted child to become a student at Hogwarts, an English boarding school for wizards. There, he meets several friends who become his closest allies and help him discover the truth about his parents' mysterious deaths.

You can find further information about the film on the IMDb website.

If you are happy for your child to watch this film, you do not need to do anything.

If you **do not** want to your child to watch this film, please inform your child's teacher.

Yours sincerely

Danny Boardman
Year 5 lead
