

September 2024

Dear Parents,

Your child has already started their daily phonic lessons. This is a fundamental part of our day and this is how your child will learn to read and write. We would love you to support with this at home. Each day, please scan the QR code for the sound we learnt. This code will take you to a short video to support the learning your child has completed in school that day. Today we have learnt 'm' and each day we will learn a new different sound, following the order on the sheet. Eg. m and then a.

We will be sharing lots more information about how to support your child's learning on Wednesday 25th September at 2.45 during our 'EYFS Meet the Teacher session'. Also, we will offer further phonic support on Thursday 10th October at 8.45am.

Any questions please do ask us.

Kind regards

Emma Barton

EYFS leader/ Assistant Headteacher
