

River Bank Stay and Play

Sessions for babies and children under the age of 5.

We are excited to invite you and your little ones to our Stay and Play sessions! These fun filled sessions are designed for children and their caregivers to enjoy quality time together through play, learning and socialising.

Each session will offer a variety of age-appropriate activities, from sensory play and storytelling, to creative crafts and games, all in a safe and welcoming environment. It's a great way to meet other parents while supporting your child's development.
