

22<sup>nd</sup> April 2025

Dear parents and carers,

### Visit from Edge Mobile Farm

We are excited to have organised an educational visit from Edge Mobile Farm on Tuesday 29<sup>th</sup> April. We will be joined by a range of farm animals and children will have the opportunity to meet, groom and feed them whilst on our school field. Children will not be leaving the school grounds for this experience.

The visit enriches our work linked to our topic – Whose Footprint is it? and our book ‘What the Ladybird heard.’ Children will gain a wonderful opportunity to explore farm animals and learn about how they are cared for. This is an educational visit and it is important that all the children take part.

The visit will go ahead in all weather, so please make sure your child comes into school wearing the correct uniform, sensible shoes and a waterproof coat.

We are asking for a voluntary contribution of **£2.25** per child to help towards the cost of the visit. Pupils who are entitled to pupil premium **will not** need to pay as this will be taken out of the pupil premium funding. Your contribution towards the cost of school activities is essential. Without your support, we may not be able to work with external educators outside of school, which provides a varied and enjoyable opportunity for our children to learn.

Please make your payment online via [www.scopay.com](http://www.scopay.com) under the category of ‘Trips and Visits’.

Thank you for your support

Yours sincerely

Mrs Barton

Assistant Head Teacher
