

29<sup>th</sup> April 2025

Dear parents and carers,

### **Natural History Museum Dinosaur Workshop**

We are excited to have organised an educational visit from the travelling Natural History Museum on Wednesday 14<sup>th</sup> May. The children will have the wonderful opportunity to:

- Explore and handle fossils
- Examine dinosaur features
- Take part in a dinosaur experiment
- Learn about 'Mary Anning', the pioneer female palaeontologist.

Children will not be leaving the school grounds for this experience. The visit enriches our work linked to our topic – Whose Footprint is it? and our book 'Harry and the Dinosaurs.' This is an educational visit and it is important that all the children take part.

We are asking for a voluntary contribution of **£4.95** per child to help towards the cost of the visit. Pupils who are entitled to pupil premium **will not** need to pay as this will be taken out of the pupil premium funding. Your contribution towards the cost of school activities is essential. Without your support, we may not be able to work with external educators outside of school, which provides a varied and enjoyable opportunity for our children to learn.

**Please make your payment online via [www.scopay.com](http://www.scopay.com) under the category of 'Trips and Visits'.**

Thank you for your support

Yours sincerely  
Mrs Barton  
Assistant Head Teacher
