

12th January 2026

Dear Parents and carers,

We are very excited to tell you that a company called Prime VR has been booked to come and deliver virtual reality workshop sessions to pupils in Year 5 on **Thursday 5th February 2026**.

Each class will be allocated a session during the day. We believe this is a fantastic opportunity for our pupils and will help to bring their 'Rainforests' topic to life. For the experience to go ahead, there is a cost of **£10 per pupil**, although this experience is **free for pupils eligible for Pupil Premium**.

Prime VR has been delivering workshops using virtual reality since 2017. Their workshops have been specifically designed for schools to help bring learning to life. Every workshop is delivered by an experienced member of the Prime VR team in a controlled and supervised environment.

The following safety measures are implemented during workshops:

- A full safety briefing is delivered at the start of every workshop and VR usage will be supervised by an adult at all times. A safety video will also be shared with every class prior to our arrival.
- Pupils share one VR headset between two and will only look through a VR headset for a maximum of two minutes at a time before taking a break.
- All VR headsets are controlled by a central iPad/tablet which allows a member of the Prime VR team to deliver specific educational content.
- Pupils will always be required to sit down whilst using a VR headset.
- All headsets are cleaned using Clinell Universal wipes in between classes.
- Any pupils who feel uncomfortable will be told to remove their headset straight away. An iPad/tablet can be provided as an alternative device to view our content and access our workshops.

If your child has epilepsy, is prone to seizures or may not be able to use a VR headset, please consult with a doctor and inform the school reception before giving consent, as an alternative device can be provided for accessing this workshop.

Please give consent and make payment via Scopay by Friday 30th January 2026.

Yours sincerely,

Miss Amos
Year 5 Lead
