

Friday 8<sup>th</sup> May 2026

Dear parents / carers

River Bank will be delivering lessons from the 'changing me' topic in PSHE over the next half term. This includes features of the relationship and health education that become statutory in all primary schools in England from September 2020.

### **What are we doing?**

This year we are continuing to follow a Luton Borough Council recommended scheme of work, Jigsaw PSHE which we have used for the last five years. The content and delivery remain the same as in previous years. Each year, we are keen to hear views from our parents and to work in partnership with you. On the school website you will find our up-to-date PSHE and RSE policy. We are keen to share as much information as possible with parents and carers so please follow the link below to view the policy and additional resources providing information on the Jigsaw scheme we use.

Once you have read this, please feedback any comments you have through the link below by Friday 15<sup>th</sup> May.

<https://forms.gle/hkqp3mSqM3wow3Tb9>

These lessons will occur during the summer term during the normal PSHE lesson time.

The year group your child is in also have one lesson involving elements considered to be sexual education. You will receive further correspondence about this particular lesson before it is taught and have the option to withdraw your child from it. If you have any concerns, please speak with Mrs Leech or your child's teacher to discuss this matter further.

Yours sincerely,

Hannah Leech  
Deputy headteacher
