

In Maths, we will be learning to:

- Use written methods for addition and subtraction, e.g. partitioning and column method.
- Recognising place value (ones, tens, hundreds)
- Recognise the relationship between multiplication and division (inverse)
- Identifying fractions as halves and quarters
- To know multiplication (2, 3, 5 and 10 tables)

In Science, we will be learning to:

- Recognise the difference between living, non-living and never alive.
- Understand living things have different habitats (place to live).

In Read, Write, Inc we will be learning to:

- Use sounds to read a range of unfamiliar words
- Develop comprehension skills to read a range of texts.
- Read with fluency and a speed.

In Technology, we'll be learning to:

- Use basic principles of hygiene and to prepare food.

Year 2
Spring Term 1 Plan

In D&T, we will be learning to:

- Design, make and evaluate our own habitat.

In Physical Education (PE), we'll be learning to:

- Explore different ways of travelling.
- Develop movement, control and spatial awareness with and without equipment
- Develop teamwork by linking this to Olympic Values.

In ICT, we'll be finding out:

- How to keep safe when using the Internet.
- Understanding how to use a search engine to research.

In PSHE, we will be learning to:

- Recognise our own strengths and weaknesses.
- Appreciate the value of respect in achieving our goals.
- Take responsibility for the decisions and choices we make.

Our Topic is Home and Away (Geography), we'll be learning to:

- Locate the UK and Brazil using atlases.
- Researching facts about Brazil using search engines.
- Identifying similarities and differences between the UK and Brazil.
- To know the 7 continents and 5 oceans of the world.
